This approval will be maintained on the condition that your company continues to comply with the relevant clauses of our *QMS-09-01 - A220 Suppliers Quality Requirements*, and maintains acceptable product delivery performance.

Airbus Canada Quality may elect to audit your facility at any time during or prior to any contract, in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment or management.

Your approval status will be periodically reviewed. Based on supplier performance, the approval status of your facility may be revised. It is Airbus Canada policy to purchase only from approved suppliers, who meet our standards of quality and reliability. We look forward to building a mutually beneficial and lasting relationship, driven by a desire for continuous quality improvement

Sincerely yours,

Mourad Attia, Quality Procurement
