Dear Sir,

I am pleased to inform you that following the audit conducted by Clive Hainon on 11/6/2003 the Quality System of Aero Fabrications Ltd has been granted approval to Bombardier Aerospace Requirements for Suppliers QD 4.6-40 / SB/QC/01. Approved processes are listed on page 2.

This approval is dependant on Aero Fabrications Ltd continuing to comply with QD 4.6 – 40 / SB/QC/01 and all other procedural and / or specification requirements.

It is Bombardier Aerospace policy to purchase only from approved suppliers who consistently meet the required standards of quality and reliability, therefore Bombardier Aerospace Procurement Quality may elect to audit your facility at any time prior to or during any contract in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment or management.

Classification: A – Subcontractor
Approved Product: Sheet Metal Detail & Assembly
Approved Processes: See Attached
Enclosures: Approval Certificate – SB/VC/161
