### **Issue of update Letter of Approval (LOA)**

Reason for up issue - Removal of Temporary Letter of Approval – LOA 201424

Tartaric Sulphuric Acid Anodizing – 4Z (Airbus specification ref: AIPI 02-01-003)

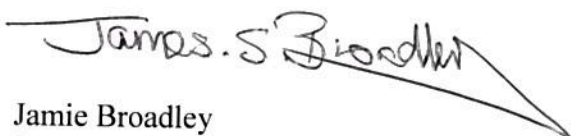

Dear Richard,

**Ref: Certificate of Approval – GC/0003/Mar/2017**

Please accept this letter to advise you that all aspects of the above TSA process have been fully reviewed and documented information provided accordingly.

Finally, thank you for the recent efforts and engagement of this key activity by the Aero Fabrications team. The level of diligence shown by your team has been excellent on this issue, as has the assistance and collaboration provided to our onsite team.

Yours Faithfully  
For and on behalf of  
Spirit Aerosystems (Europe) Limited

James. S Broadley
